

PCNAK ♥ KIDS

GENERATION 2 GENERATION

THEME

We are emphasizing the PCNAK theme "Generation to Generation" by incorporating the idea of passing the baton as in an Olympic race. While our creative theme emphasizes the Olympics, lessons will reflect the importance of generational faith.

Lessons:

Moses & Joshua Paul & Timothy Elijah & Elisha
Abraham & Isaac Jesus & Us

We want kids to have fun and enjoy themselves, but most importantly we want them to walk away having learned practical and meaningful lessons about their faith.
